## FAQ | Frequently Asked Questions

1

### Who can avail of these benefits?

ICAI members, students, employees, and their dependents can avail of these benefits.

2

### How do I access these discounts?

After completing the registration and signing into the Tata 1mg app, you can access your exclusive healthcare benefits through the My Corporate Dashboard.

3

### What products are eligible for discounts?

Discounts apply to Rx, OTx, prescribed medicines, ayurvedic & homeopathy medicines, medical equipment/devices, Tata 1mg-labelled products, and Tata 1mg Labs services.

4

### Is there a minimum order value (MoV) for availing these discounts?

Yes, the minimum order value is:

- INR 699 for Pharma orders
- INR 799 for Lab tests

5

### Can I use these benefits more than once?

The benefits can be availed multiple times, provided they meet the terms and conditions, including the MoV requirement and product eligibility.

6

**Is there a limit on the discount I can receive?**

Yes, the maximum discount per user is capped at **INR 3000** for pharmacy orders and **INR 800** for diagnostic services.

7

**Can I avail these benefits if I already have an existing Tata 1mg account?**

You can use your existing mobile number on the registration page to claim ICAI benefits.

8

**How can my dependents utilize the services?**

You can extend the same exclusive healthcare benefits to up to 5 dependents. Just register them under your account, and they'll enjoy access to discounted medicines, lab tests, and health checkups.

9

**What should I keep in mind during registration?**

Please ensure all details are entered accurately during registration. This will help avoid any issues with the application of discounts or benefits.

10

**How will discounts be applied on a mixed cart (RX + OTC)?**

For a cart containing both prescription (RX) and non-prescription (OTC) items, the discount on prescription medicines will be automatically applied through an exclusive coupon at checkout. Non-prescription items will be displayed at their discounted prices directly on the platform.
